Tripp and the Lollipop Fairy
Traditional Hand Drawn

TerraTerra and Tum
Cut-Out, AfterEffects

I am experienced with 2D Animation produced by hand in traditional media, cut out in After Effects, or drawn in Flash. While much of my work has been for the classroom, I have also been able to enjoy exploring and expanding my skills and limitations and always seek to learn something new.

I have produced several animated works for both coursework and personal enjoyment, viewable on my youtube channel and website.

- *Tripp and the Lollipop Fairy*
An interaction between the childish Tripp and an angry Lollipop Fairy that leads to fatal consequences.
- *TerraTerra and Tum*
A story about a meeting between the impish TerraTerra and the vengeful Tum.
- *Shaolin Soccer Rotoscope Exercise*
A study that focuses on the movement of clothing to express the body movement of the dancers.
- *Nursery Rhyme Animations: Hey Diddle Diddle*
An animated rendition of a popular children's song.
- *Nursery Rhyme Animations: Kookaburra*
An animated rendition of a popular children's song.
